Ontario Conference School of Evangelism

Greetings from the Personal Ministries and School of Evangelism and Discipleship department.

Members, have you ever wondered why the church you attend from Sabbath to Sabbath, month to month and year to year really exist? Have you ever wondered the purpose why members join the church? Well, there may be a multiplicity of responses one can illicit with these questions: To be fed; I like the preacher; Out of habit. Whatever the responses many people attend church every Sabbath because of personal needs.

While that is fine and acceptable there is a greater and more important reason or purpose for attending church. Jesus in Matthew 28: 18-20 shares with us the great commission which outlines the purpose or mission of the church. Everyone who becomes a member of the church is commanded by Christ to "make Disciples." Making disciples is not simply recruiting church members. In order to make disciples we are asked to "go" "baptize" and "teach."

In order to make disciples we all need to be able to reach out in the name of Jesus Christ, bring men and women into His fellowship and help them grow in His grace. This relational approach is what this series of classes is all about. It is about helping members to be equipped to make disciples. I pray that everyone participating in this program will indeed find fulfillment in being a disciple of Jesus and make disciples for Jesus.
